

THOMASTON BOARD OF EDUCATION
DISTRICT GOAL SETTING MEETING
Saturday, March 13, 2010

March 16, 2010

Dear Participant:

The Board of Education and I want to personally thank you for your participation in our district goal setting meeting on Saturday, March 13th. We know how busy you are, so we are extremely appreciative of the time you gave to a very important mission. Any time parents can provide us with their suggestions and interpretations of how we can improve services in our district, we all become winners. We will keep the District goals on the Board of Education agenda each month. The next step is to determine the implementation of each goal.

Since this was such a successful collaboration, we would like to keep this group together and, hopefully, add more parents and community members. If a Saturday morning works best for everyone, we will hold that as the meeting day and establish a calendar of dates to meet at our next Board of Education meeting.

Hopefully, you will continue to work with us as we move forward in the Thomaston District. Your contribution is invaluable.

Sincerely,

Lynda Mitchell
