

Thomaston Board of Education Pays Tribute to Its Volunteers

The Thomaston Board of Education would like to pay tribute to you, our volunteers, for offering an important service to the staff, students and administration of the Thomaston School District. We recognize you for your volunteer hours in our schools. Like many volunteers, you offer important support for us because you love to participate and, most likely, do not want to be part of the limelight. The services and support that we receive from you on a daily basis benefits our students. As a community member, you are an indispensable part of our school family.

We thank you for the outstanding contribution of your time, energy, skill, and talents. We consider your involvement as priceless.

Sincerely,

Members, the Thomaston Board of Education
Superintendent of Schools
