To All Parents and Guardians,

Thomaston Center School was forced to evacuate today after it learned of a bomb threat at the Thomaston Post Office. All students and staff were brought to Sanford field. Once at Sanford Field all students were fed lunch, given water and in the shade. Emergency services were also called to be on site in case of a medical emergency. Unfortunately, we in the Town Hall were also evacuated leaving us initially with no way to communicate. At no time during this evacuation were children in any danger.

Due to technical difficulties, the notification system was not able to be activated. We are working on this problem for immediate resolution.

Please do not hesitate to call with any questions.

Sincerely,

Lynda Mitchell
Superintendent of Schools
